

Imaginative Traveller adds new 17-day Costa Rica & Panama itinerary

IMAGINATIVE TRAVELLER has added a new 17-day tour taking in Costa Rica and Panama this year.

Highlights of the trip include watching the active Arenal Volcano in action; visiting the Monteverde Cloud Forest Biological Reserve - home to more than 2,500 recorded species of plants, 400 birds and 100 species of mammals; listening to salsa on the Island of Colon; climbing to the rim of Baru Volcano; and experiencing a massage at the Caldera Hot Springs.

Prices lead in at £1,095 per person land-only, which includes 16 nights' accommodation, transport (boat, bus and taxi) and a local group leader. A four-day extension to the San Blas Islands is available from £375.
