OPERATIONS MANAGER,  
IMAGINATIVE TRAVELLER**

**The best part of my job is ...** When travellers take the time to get in touch and say that they really enjoyed our tours, particularly if it's the first time they've travelled with us.  
**My first big trip was ...** Travelling and working in Paraguay for six months. It

may not be the place to go if you are looking for spectacular sights, but if you're interested in a quirky destination then I'd certainly recommend it.

**My most memorable travel experience was ...** Looking down over Jerusalem from the Mount of Olives, and seeing how close some of the most holy sites of the world's major religions are to each other.  
**My favourite place in the**

**world is ...** Petra in Jordan, because it was one of the places that all my life I had dreamed of seeing.

**The next destination on my travel wishlist is ...** Cuba or Venezuela.

**My top travel tip is ...** Never underestimate how far a smile can get you.

**I always pack ...** Chocolate and instant porridge.

**My guilty travel pleasure is ...** My mobile phone.
